Captive (Dell Historical Romance Book 1) By Joan Johnston

She was a gorgeous rebel.

Defying all the rules, daring to speak her mind, Charlotte Edgerton declared her independence before she even entered the Earl of Denbigh's home. Her new guardian immediately made her a prisoner in her own room—until she agreed to learn the lady-like arts. Furious, she complied. Anything to buy her freedom from Denbigh. She's even marry a man she didn't love to get away from her domineering guardian. In fact, love was the furthest thing from her mind...

He was the Earl who vowed to tame her.

Lionel Morgan, Earl of Denbigh, had been betrayed at the altar by another woman and vowed that no female would ensnare him again. Then Charlotte Edgerton burst into his life. Denbigh wasn't prepared for this headstrong American—or the passions she inspired on first sight. He knew only that he had to civilize her, present her at court, and Almack's, and then marry her off to the highest bidder. It wasn't until he nearly lost her that he realized the truth: She'd somehow reversed their roles and become the captor of his heart.

Editorial Review

From Publishers Weekly

Regency and historical romance devotees will find Johnston's (*The Inheritance*) latest lively and well-written, and her characters perfectly enchanting. Lady Charlotte Edgerton, Charlie to her friends, is an American fish who finds herself in stuffy English waters when her father dies and leaves her to the care of the Earl of Denbigh. Denbigh has two duties: to civilize Charlie and to find her a suitable husband--only it can't be him. Haunted by his fiancée's suicide, Denbigh mistrusts women. In spite of Charlotte's innocent appeal, he refuses to let himself become involved and tries his best to alienate her affections. But Charlotte--an American through and through--won't take no for an answer. An exciting secondary plot involving a duke bent on avenging his brother's murder by dishonoring Denbigh's sister adds an element of mystery.
